2018 Summer Camp Sponsorship

Pinellas Autism Project, Inc. (PAP) is coordinating our second annual summer camp for children ages 5 to 17 with Autism Spectrum Disorders (ASD) and other Neurodevelopmental and Behavioral challenges like ADHD, Downs Syndrome, Fragile-X Syndrome, and Rett syndrome. Camp runs daily from 8:00 am to 6:00 pm Monday through Friday. We offer a wide range of activities including, but not limited to: swim lessons, arts and crafts, and field trips. Campers are led by educators and Behavior Therapists with extensive experience in the above-mentioned needs.

If you haven't been directly associated with the impacts of ASD and related issues, you may not be aware of the financial costs that are involved in raising a child with special needs. Not all insurances cover the variety of care needed; therefore, parents and caregivers are responsible to cover these costs themselves. Access to specialized, quality education is another area in which families can see high out of pocket costs.

Some families do receive scholarships to pay for specialized education; none of which offer funding for summer camp or after school care. Therefore, in an effort to keep our camp at an affordable costs for families of all income levels, we are looking for donations to supplement the differences. The fees for one child for the entire 11 weeks of camp is \$1650.00. We have developed a range of Sponsor Options to help offset these costs.
